The Girls' Athletic Association, better known as the G. A. A., is affiliated with the State Girls' Athletic Association and follows a prescribed program of sports activities in which members participate in order to earn points for awards. Pins, numerals, letters, monograms, the State Plaque, and senior awards may be earned for points in both participation and achievement.

Girls participate in tournaments and activities within the school, in play days, and in inter-school competition.

Girls who merit the State Plaque receive their awards each year on the campus of one of the colleges within the state of Indiana.

Financially, G. A. A. members earn the money to continue their program through the concessions stand at the basketball games in the Garfield Gym.
