The "Turkey Day" classic was a sweet victory for the Purple Eagles as the Southsiders fell to the tune of 18-13. Pike was the first to score for the Eagles, after a successful drive that was climaxed with only three minutes of the game gone. Wiley then came to life and brought the score to 7-6, bringing many memories to the minds of grads of both schools. The game continued with both teams displaying their strong desire to win. Wiley again scored in the third quarter, putting tremendous pressure on the Eagles. The Purple Eagles then rose to show their strength and superiority as they gained two markers in the final stanza, with Hancy scoring twice. The game ended with Garfield in possession of the ball after stopping Wiley's last-minute desperate effort to save the game.

The Bronze Turkey, coveted symbol of victory in this rivalry, again graces the trophy case at Garfield.

Chad Swander, Center, Co-Captain in the Wiley game, receives the coveted Charles Zimmerman Memorial Award from G Men's Club President Jim Humphrey. The Zimmerman Award is given annually to that man on the varsity squad who is voted by members of the G Men's Club as the "Most Valuable Player." Chad received acclaim all season as one of the most outstanding defensive men in the Wabash Valley, rating for him an All-Valley selection.

B and C Teams in football practice religiously and play a regular schedule in order to gain valuable experience so that the squad members may participate in next year's varsity games.

Eight of the starting eleven in the B-Team games this year were freshmen. Since their two wins came at the end of the season, it would appear that chances for a winning varsity squad next year are good.
