Not Pictured ROGERS, BARBARA N.

1958 1959 Another memorable year in the history of Garfield, and one long to be remembered in the minds of members of the Class of 1959 Outer space again occupied the center of attention as sputniks, Explorers, moon rockets, and man-made planets went whizzing by . . . Preparations were made to send the first man into space . . . We welcomed Alaska and Hawaii as the 49th and 50th states in the Union . . . Girls began to look like girls again as the "sack" was permanently "sacked" in favor of normal waistlines . . . Long socks to match sweaters were a vogue of the girls, too . . . while colors were in style for the boys (all colors . . . pink, blue, lavender, red, green . . .) . . . French Foreign Legion, Smoke Gets in Your Eyes, The Little Space Girl and Stagger Lee were among the tops in pop songs . . . on TV, we could tune in a Western any time of the day or night.

As for the Class of 1959, we became the first class in Garfield history to "strike it rich" when we hoarded all our hard-earned cash and paid out not that first cent out of our individual pockets for our senior activities.
