Alumni

THE graduates of Honey Creek Township High School now form a relatively small organization, but it must be remembered that each succeeding year adds to the membership. The eighteen faces pictured on the preceding page are but a small part of the future alumni. The class of '26 gave the high school a beautiful picture, which was formally presented by Marabelle Morris at the Christmas program. The present members are now trying to adapt themselves to new experiences, as found in employment and college life. More than half of the graduates are now attending college; the rest are working or staying at home. They are located as follows:

Hazel Burnett	Bookkeeper at Swiss Cleaners
Irene Cottrel	At Home
Clara Cook	Indiana State Normal
Elvira Curry	Indiana State Normal
Lilly Durbin	At Home
James Harlan	Indiana State Normal
Eldon Johnson	Indiana State Normal
Eva McClure	Indiana State Normal

The Honey Creek Alumni have established a scholarship to be awarded on the following basis: scholarship, fifty percent; athletics, club, and orchestra support, twenty-five percent; and school attitude, twenty-five percent. This year the scholarship is awarded to Harvey Kesler, who will enter college next fall.

My life is for itself and not for a spectacle.
