"Lives of great men all remind us
We can make our lives sublime,
And departing leave behind us
Footprints on the sands of time."

CLASSES

The pictures of the students who have helped to hallow the halls of Wiley appear on the following pages. The three classes, senior, junior and sophomore, have worked together to make Wiley a better school and to carry on the traditions of cooperation and high academic standing. There was class unity when all three cheered our championship football team to victory. There was class rivalry in the sweat sacks. Each class had a color, the seniors choose red, the juniors blue and the sophomores yellow. All classes joined in selecting a football and basketball queen.

JANUARY GRADUATES

The time arrived for the graduation of the January Seniors. It was their turn to follow the path which so many Wiley graduates have traveled before them. Some went to college, others into business and yet others entered other fields of endeavor.

These graduates participated in some of the senior activities during the spring of '53. In the fall of '53 they elected their officers, participated in homecoming and had one of their graduates selected football queen. Another was the recipient of the D.A.R. award. For half of the basketball season they cheered the team to victory and when graduation came, they concluded three years at Wiley with the traditional graduation exercises.

JUNE SENIORS

The seniors have spent three years filled with hard work, traditions and fun. As they go their separate ways they will always remember their graduation exercises, banquet, prom, and breakfast, whose theme was "Shipping Out to Space." Other big events included the senior fair and Kiwanis Occupation Day. A senior queen and court reigned in football season and a senior girl reigned as basketball queen. As the seniors leave Wiley they will recall an undefeated football team, yellow cords, the bunny hop, "cool" and "Secret Love".
