

Travelogues, science films and short features spiced the noon movie program.

TIME FOR CLUBS

"Remember always your end, and that lost time does not return."

Many satisfying noon hours have been spent by the boys who bring their lunch to school and eat in room 106. The girls eat and exchange gossip in room 114.

LUNCH ROOM AND SNACK BAR

The snack bar is operated by the Y-Teen Ways and Means Committee. Each day at noon they sell candy, gum, soft drinks and potato chips for the benefit of those who bring lunches to school.

HI-Y

The Hi-Y, created to maintain and extend good leadership and high standards of Christian character in the school and community, consists of 53 boys.

Sponsored by Mr. J. P. Lunstrum, members of the club meet the third Wednesday of each month; the Hi-Y council meets every other Wednesday of each month.

This year the Y-Teens sponsored the Bunny Hop Mixer and the formal Sweetheart Dance which were held in the gymnasium. They offered the Mary V. Jones Nursing Scholarship. The other services of the club included a linen drive and a courtesy and clean-up campaign.
