### SCRIBBLERS CLUB

The Scribblers Club meets on the third Wednesday of every month. During these meetings, the club members read their original literary creations. The club also publishes **Scribblers** when merited by the number of contributions of the members.

### VISUAL-EDUCATION CLUB

The Visual-Education Club has one organization meeting at the first of the school year. There are no other meetings held unless it is necessary. This is not a social club. Every member spends 2 to 3 hours a week operating the projector or

performing other services. The club secures educational films for the teachers to show to their classes. Movies, for which a small fee is charged, are also shown on Wednesday and Thursday during homeroom period to interested students. This fee is used for films and the upkeep of equipment throughout the year.

### KIWANIS KEY CLUB

One of the newest clubs to be added to Wiley's list of extra curricular activities is the Kiwanis Key Club. Organized at the beginning of the school year, the club has performed many services of benefit to the school and community.

As community services, the Wiley Key Club, with the assistance of other high school Key Clubs, sold Christmas trees for the park board at Dobbs Memorial Forest, east of the city. Also, the members of the club participated in the Infantile Paralysis Drive and sold **Kiwanis Newsie** for the Kiwanis Club.

For the school, the club retyped the names on the **Roll of**

**Honor** and has the duty of keeping the pictures in the main hall as neat and clean as possible.

The Key Club also proposed **Twirp Week** and sponsored the **Gandy Dancers' Ball**, May 14, which was the finale of the week.

As the final project of the school year the Wiley Key Club acted as co-sponsor of a State Convention held in Terre Haute, May 8.

Mr. R. B. Harvey is the representative from the Kiwanis Club, and Mr. Kenneth Payne is the faculty sponsor.

These students served as chairmen in their divisions for the Annual Kiwanis Occupational Day Program.
