The Sophomore Class is the largest one here at Garfield. It consists of members enrolled from McLean, Deming, Warren and other schools in the north end of the city. There are two hundred and thirty-five names on the class roll.

Class organization took place last October. Miss Helen Reitzel was chosen faculty adviser.

The Sophomores had charge of an assembly March 6. This assembly was a decided hit. The Class Party has not been held to date but will be arranged for soon. The class of '27 hopes to make a name for itself here at Garfield.
