

OUR TEAM

The 1924 Grid Season

This year we started the season with seven letter men and a good schedule with valley teams. We had as coaches Earl Pike, who was with us last year and Jim Conover, a former Garfield man, who came from Normal. Billy Fitzsimmons was elected captain.

We lost the first game with Clinton, 13-6. The next Saturday at Sullivan we won 19-6. Two weeks later at Reitz of Evansville we lost 7-0. The next week we came back and won 32-7 from Princeton. We kept up the winning streak the next week, winning at Robinson 12-7. We lost the Home coming game with Marshall 3-0, and tied 0-0 with Wiley on Turkey Day.

We had only two injuries this year. Hogan got his shoulder hurt before the Clinton game and George Van Bibber his foot broken in the Princeton game. This year we won the respect of all teams played, officials and coaches, going through the season without having a major penalty called on us.
