RÉSUMÉ WRITING ADVICE & JOB APPLICATION TIPS

ENSURE YOUR RÉSUMÉ IS ERROR-FREE.

Have someone else proofread your résumé to catch spelling and grammatical errors.¹

KEEP YOUR RÉSUMÉ UP-TO-DATE.

Most potential employers are going to ask for your résumé, so always have an updated version available.²

EMPHASIZE YOUR SKILLS.

Use a *skills* or *capabilities* section in your résumé that is organized around your main talents.¹

HAVE YOUR PERSONAL INFORMATION ON-HAND.

Are you filling out multiple applications? Make a cheat sheet that includes your work history, education, and references' contact information so you can find everything you'll need.

BE ORGANIZED, LOGICAL & CONCISE.

Your résumé should be laid out neatly, flow consistently, and be visually appealing. Leave sufficient blank space between sections to clearly separate them for ease-of-reading.¹
