

GET INTO THE GROOVE

Ages 6-11: Read 10 books or 10 hours to earn a free book. For every book or hour that you read, color an instrument and write down the title of the book. When you've colored in all the instruments, bring this sheet to your Library location to receive your own book to keep and be entered in the grand prize drawing. Don't forget to log your reading hours online at www.vigo.lib.in.us/summer/log.
